ST LUKE'S AUTUMN 2026

"THE LORD IS HERE"

**"HIS SPIRIT
IS WITH
US"**

Image taken from the Bible Project

We declare this fact of God's presence with us at every communion service at St Lukes. The Lord is **here**, with **us**. This is true. But it's also true for every other church congregation across the world when they say these words too. We live in the age of the church, where God has generously and indiscriminately poured out his Spirit so that everyone can know his presence at all times, in any place and in many different ways. This term we will be contemplating this first through the lens of Creationtide, where we consider our natural world as God's creation and full of his presence. From October we will have a series called 'Worship and Encounter' where we will be encouraged in the truth that God invites us to meet with Him and longs to meet with us. Finally, as we move through Advent and Christmas we will prepare for and celebrate the coming of 'Emmanuel', God-with-us.

SUNDAY MORNINGS AT 10.30AM ✝

All Sunday morning services have children and youth groups and are Holy Communion, apart from Cafe Church when everyone stays together.
